

WELCOME TO INTUITION RUBICON

Intuition Rubicon is a comprehensive learning, knowledge, and talent management suite. It provides learning and development professionals with a feature-rich learning management system (LMS) to assist the development of necessary skills and knowledge and maximise the potential of organisational learning activities. Intuition Rubicon enables you to manage, track and report on all your learning activities.

SIGN IN PAGE

The screenshot shows the Intuition Rubicon sign-in page. At the top right, there is a 'Sign In Here' button. Below it is a 'Sign In to your Learning' section with 'Username:' and 'Password:' input fields and a 'Sign In' button. The page is divided into three columns: 'About Intuition Rubicon', 'Key Features', and 'Support'. The 'Support' column contains links for 'Are you ready?', 'Support Documentation', and 'Technical Support'. A callout box labeled 'System Compatibility' points to the 'Are you ready?' link. Another callout box labeled 'Technical Support' points to the 'Technical Support' link.
